MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Policy and Procedures for Submitting Packets to Enroll in the United States Army Sergeant Major Courses (SMC) FY 2014

1. References:

- a. Army Regulation 135-18, Active Guard Reserve (AGR) Program, 01 November 2004
- b. Army Regulation 135-200, Active Duty for Missions, Projects, and Training for Reserve Component Soldiers, 30 June 1999.
- c. Army Regulation 350-1, Army Training and Leader Development, 18 December 2009.
 - d. Army Regulation 600-8-19, Enlisted Promotions and Reductions, 30 April 2010.
- e. National Guard Regulation 600-200, Enlisted Personnel Management, 31 July 2009.
- f. Memorandum, NGB-ARH# 06-024, 29 March 2006, subject: United States Army Sergeants Major Academy Policy (USASMA).
- g. Army Regulation 135-18, Active Guard and Reserve (AGR) Program, 01 November 2004.
- h. Army Regulation 135-91, Service Obligations, Methods of Fulfillment, Participation Requirements, and Enforcement Procedures, 01 February 2005.
 - i. ALARACT 216/2012, Structured Self Development (SSD) Prerequisites.
- 2. This memorandum clarifies the procedures for submission of SMC packets to include eligibility guidelines, quota distribution, and key suspense dates:

SUBJECT: Policy and Procedures for Submitting Packets to enroll in the United States: Army Sergeant Major Courses (SMC) FY 2013

- 3. For brevity, throughout this memorandum the 54 States, Territories, and the District of Columbia (DC) will be referred to as the "States."
- 4. The SMC is offered in two modes, Resident (nine months) or Non-Resident (Distributive Learning plus a two week resident phase). For FY14, the ARNG has been allocated 400 quotas for the Non-Resident course and 15 quotas for the Resident course. The application process is the same for both. The approval authority for Title 32 Soldiers is the State Command Sergeant Major (SCSM). The enrollment approval authority for Title 10 AGR Soldiers is the ARNG Command Sergeant Major (CSM).
- 5. Soldiers applying for enrollment in SMC must meet service obligation requirements IAW NGR 600-200, Para 7-3k. Generally speaking, Soldiers must start the Non-Resident course prior to reaching age 56 and a half to complete the two years allocated to finish Phase 1, one year to finish Phase 2, and then complete their six months remaining service obligation prior to reaching age 60. Soldiers must start the Resident Course prior to reaching age 57 in order to finish the ten months of resident study and then meet the two year remaining service obligation prior to reaching age 60. Promotion to the rank of E-9 incurs a separate, non-additive three year remaining service obligation.
- 6. Enrollment in SMC is a prerequisite for promotion to Sergeant Major (SGM) and appointment to CSM in the Army National Guard. Applicants must currently be in paying grade E-8 prior to submitting packets.
- 7. As of 1 JUN 13, Structured Self-Development Level 4 (SSD-4) became a prerequisite to attend the SMC. ARNG-TR will not accept individual packets or ATRRS applications for Soldiers that have not completed SSD-4.
- 8. All enclosures listed below (as applicable) will be completed and included in each packet in enclosure sequence. Incomplete packets will be returned to the originator.
- a. Encl 1: DA Form 7432, SMC Administrative Data Sheet, must be signed by the Soldier. The block "FOR ARNG USE ONLY" will be used for two purposes. First, the approving authority will clearly identify applicant's duty status as, Traditional, AGR T-32, or Technician. Second, it will be used to show subordinate CSM (T-32) concurrence or the appropriate G-Staff (T-10) concurrence in order to ensure there is an audit trail for approval. The State CSM or ARNG CSM will sign in block 13f.
- b. Encl 2: USASMA NRSMC Statement of Agreement and Certification (SOA), USED ONLY FOR ENROLLMENT IN THE NON-RESIDENT COURSE; all blocks must be initialed and the bottom of the second page must be signed by both the Soldier. Although the form states that the "First CSM in the Chain of Command," will sign in the

SUBJECT: Policy and Procedures for Submitting Packets to enroll in the United States. Army Sergeant Major Courses (SMC) FY 2013

appropriate block, this block must be signed by the State CSM for T-32 Soldiers, or the ARNG CSM for T-10 Soldiers.

- c. Encl 2b. USASMA Resident Statement of Agreement and Certification, USED ONLY FOR ENROLLMENT IN THE RESIDENT COURSE; all blocks must be initialed and the bottom must be signed by the Soldier. The bottom of the form will be signed by the State CSM for T-32 Soldiers, or in the case of T-10 Soldiers, the Sr. Field Representative (if applicable), G-Staff SGM, and ARNG-CSM.
- d. Encl 3: DA1059, Service School Academic Report, final phase Advanced Non-Commissioned Officers Course (ANCOC), Senior Leader Course (SLC), or applicable waiver if courses not available.
- e. Encl 4: DA Form 705, Army Physical Fitness Test Scorecard; completed within 12 months of submission date for traditional Soldiers and technicians and within six months of submission date for AGR Soldiers.
 - f. Encl 5: DD 5500-R, Body Fat Content Worksheet; (if applicable).
- g. Encl 6: DA Form 3349, Physical Profile (if applicable); Soldiers with permanent profiles with a code "3" require proof of Military Medical Review Board (MMRB) evaluation.
 - h. Encl 7: Quota Allocation Matrixes
- 9. State promotion lists are no longer required.
- 10. Additional packets beyond what States have been allocated on the quota allocation matrix will only be accepted after a State has reserved all of their allocated quotas. Additional Packets or Order of Merit Lists (OML) received prior to this criterion being met will be returned for resubmission.
- 11. If additional quotas become available, ARNG-TR will automatically approve packets based on the States percent fill between assigned E-9s and authorized E-9 positions. In the case of States having the same percent fill ARNG-TR will then take into account the number of E-8s with USASMA completed within the States.
- 12. Soldiers will only be enrolled in a wait status when all allocated seats have been filled provided that USASMA has given authorization.
- 13. ARNG-TR will begin accepting SMC packets starting 1 September 2013. The final date for packet submission is 1700 EST on 1 June 2014.

SUBJECT: Policy and Procedures for Submitting Packets to enroll in the United States Army Sergeant Major Courses (SMC) FY 2013.

- a. States: Packets will be submitted by e-mail only to the ARNG-TR's SMC e-mail address at NG.NCR.ARNG.MBX.USASMA-ENROLLMENT@mail.mil. ARNG-TR will reply to the State with a confirmation email after the packet is received, reviewed, and accepted. The confirmation email serves as the authority for State Quota Source Manager (QSM) to submit the application for enrollment to AOID (Action Officer Identification) 012 using the ATRRS Automated Training Application Module (AATAM).
- b. Title 10 AGR: The proper routing of application packets is submission from the Soldier to the Sr Field Rep, to the G-Staff SGM, to the ARNG CSM for final approval. Packets will be sent to Human Capital Management (HCM) SGM for processing. Approved packets will be submitted by HCM to ARNG-TR utilizing the SMC email address at NG.NCR.ARNG.MBX.USASMA-ENROLLMENT@mail.mil for ATRRS enrollment. A notification email will be sent back to the HCM SGM.
- 14. All quotas are distributed based on AFAM inputs and force structure. At 60 days prior to the class start date, States are expected to have all allocated seats filled or A1 applications pending for approved packets. In order to prevent losing any unused seats to other compos, any unused allocations at that time will be redistributed to other States. States are highly encouraged to have completed their E-9 board procedures prior to that time.
- 15. Deferments: The Chief, ARNG Training Division is the approval authority for deferments:
 - a Deferments are not authorized for Non-Resident SMC Phase 1.
- b. Phase 1 requirements must be complete for a Soldier to be eligible for a Phase 2. deferment.
- c. Phase 2 deferments will be considered for compassionate, medical, or operational (mobilization or deployment) reasons that prevent the Soldier from completing the course within the required time frame. States will forward deferment requests, in memorandum format with supporting documents, to ARNG-TR, ATTN: Training Division Sergeant Major, 90 days prior to the required completion date.
- 16. Soldiers may request to withdraw from the SMC. Requests must be in writing through Soldier's chain of command to ARNG-TR and include Retirement/Reduction Order(s) if applicable. ARNG-TR will coordinate with USASMA to remove the Soldier from the SMC and initiate the final Academic Evaluation Report (DA Form 1059).
- 17. The chain of command and the SCSM are responsible for counseling and management of their students enrolled in the course.

SUBJECT: Policy and Procedures for Submitting Packets to enroll in the United States Army Sergeant Major Courses (SMC) FY 2013

- 18. ARNG-TR will coordinate with USASMA to dismiss Soldiers who fail to meet academic timelines.
- 18. Title 32 Students will contact their State QSM immediately upon receipt of successful completion from USASMA for Phase 1. QSMs can then submit an application for the Soldier to the Phase 2 course in ATRRS. Title 10 AGR Soldiers will contact HCM.
- 19. State G3s/QSMs will ensure training selections are made in the ATRRS Funding Allocation Model (AFAM) for resourcing purposes.
- 20. The point of contact is SGM Timothy A. Bushee, ARNG TR SGM at DSN: 327-9326 Comm. (703) 607-9326 or timothy a bushee mil@mail.mil.
